

HEDGEHOGS HOME LEARNING – Term 3
Our Wonderful World

Please complete at **least** 3 of the following activities and bring into school by Monday 25th February 2019.

Science/Maths

Identify and count the birds in your garden. Record your data in a tally chart, bar chart or a log book.

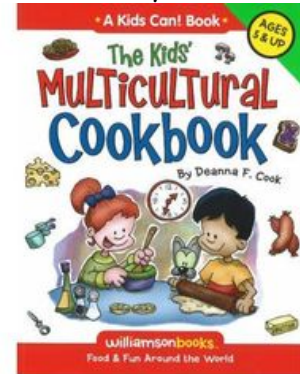

Geography/English

Regularly research the news or watch news-round and keep a diary of the important or unusual events that are happening around the world.

DT/ English

Follow the instructions to a recipe and take a photograph of what you make.

DT/Geography

Make a map or a globe. Label the seven continents and five oceans.

English

Create a fact sheet giving information on your favourite creature or country.

Maths

Make a list of everything in your house that tells the time. Use them to help you practice telling the time (o'clock and half past).

Geography

Draw a map of your journey to school marking on key landmarks.

English

Read a variety of traditional tales. Write a book review of your favourite.

English/Music Write your own poem or song about "Our Wonderful World."
