<i>GPS Average Scaled Score</i>	105.5	105.1	106	102.2	106	
<i>Maths Average Scaled Score</i>	101.2	100.4	104	101.2	104	

3. Barriers to future attainment (for pupils eligible for PP)

In-school barriers *(issues to be addressed in school)*

A.	High deprivation area which increases the amount of pupils needing SALT input on entry and slows progress in other years.
B.	Reduced reading comprehension skills due to limited vocabulary and language acquisition.
C.	Basic skills such as spelling and times tables are not secured which affects progress.
D.	Reduced reasoning skills due to lower language acquisition resulting in lower attainment in maths.
E.	A number of pupils from disadvantaged backgrounds also have additional needs that reduce their rates of progress.

External barriers *(issues which require action outside school)*

F.	Parental engagement for some PP pupils is not as strong as for other pupils, (i.e. completion of homework and reading at home) and this affects attainment.
G.	High levels of family support required across the school community resulting in pupils who are emotionally and socially vulnerable and less likely to thrive academically.

4. Desired outcomes *(Desired outcomes and how they will be measured)*

Success criteria

A.	Upon entry, pupil's SALT needs are swiftly identified and high quality provision is put in place enabling the attainment gap between PP and other pupils to diminish within communication and reading.	High quality SALT provision is in place evidenced through monitoring rounds and Speech and Language Link assessments. Barriers to learning are removed and identified pupils meet age related expectations in communication and reading.
B.	Attainment gap in reading is diminished between PP and Other pupils in all year groups.	Target Tracker to show diminishing differences between 'Disadvantaged' and Other pupils throughout the school, taking into account individual pupils' varied starting points and cognitive ability.

C	PP pupils attain age appropriate basic skills across the curriculum (particular focus on spelling and times tables)	Target Tracker to show diminished differences in basic skills (spellings& Times tables) between 'Disadvantaged' and Other pupils throughout the school, taking into account individual pupils' varied starting points and cognitive ability.
D.	Increased confidence in reasoning in Maths results in an increase in PP children achieving the expected Standard at KS2.	Pupils eligible for PP achieve age related expectations in Maths in line with pupils with similar starting points.
E.	PP children with additional needs continue to make good progress which is tracked appropriately.	Key strategies are in place for PP children with additional needs resulting in accelerated progress or appropriate progress in line with starting points or SEN requirements.

<p>F.</p>	<p>Parents engaging with school staff in developing learning partnership between home and school, to include increased home reading, homework completion and attendance at information events.</p>	<p>Parents will be able to access in school support to enable them to support their children at home.</p> <p>PP pupils reading attainment to be in line with non-PP pupils.</p> <p>Increase number of parents attending events in school to support learning at home e.g. stay and play, stay and read, meet the teacher expectation evenings, Parents evening.</p> <p>Increase the number of pupils completing home learning.</p>
<p>G.</p>	<ul style="list-style-type: none"> • Pupils eligible for the PP experiencing interruptions in their emotional and social wellbeing are identified and supported enabling pupils to continue to make progress. • Family Liaison Officer effectively supports vulnerable families. • Attendance rates for pupils eligible for the PP increase. 	<p>Pupils make expected progress despite experiencing interruptions in their emotional and social wellbeing.</p> <p>Vulnerable families receive the support that they need and children are able to re-engage with their learning.</p> <p>The number of persistent absentees among pupils eligible for PP is reduced. PP attendance improves overall and is in line with 'other' pupils.</p>

5. Planned expenditure

Academic year	2018-2019
---------------	-----------

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
<p>A. Upon entry, pupil's SALT needs are swiftly identified and high quality provision is put in place enabling the attainment gap between PP and other pupils to diminish in reading.</p>	<ul style="list-style-type: none"> • Speech & Language Link Screening tool • Language Enrichment provision • Specialist Speech & Language TA <p>Cost: £27,828</p>	<p>The EEF Toolkit highlights that the evidence suggests that early years intervention is beneficial. On average, early years interventions have an impact of five additional months' progress, and appear to be particularly beneficial for children from low income families.</p> <p>Early language deficits, word gaps and poor vocabulary hugely disadvantage children from the outset in terms of academic performance. The EEF Early Years Toolkit evidences that communication and language approaches consistently show positive benefits for young children's learning, including their spoken language skills their expressive vocabulary and their early reading skills. On average, children who are involved in communication and language approaches make approximately six months' additional progress over the course of a year</p> <p>All children appear to benefit from such approaches, but some studies show slightly larger effects for children from disadvantaged background</p> <p>The Language enrichment project will provide carefully designed opportunities for children to meet, engage with and maintain a healthy relationship with an increasingly complex body of words enabling identified pupils to attain age related expectations in reading.</p>	<ul style="list-style-type: none"> • TA receives ongoing CPD • All Reception children are screened on entry. • Results of screening are used to target 1:1, small group and whole class support. • Delivery of provision is consistent and timetabled. • Provision is reviewed regularly • Targeted on SDP 	SENCO	<p>Dec 2017</p> <p>April 2018</p> <p>July 2018</p> <p>Good practice determines that ongoing min-reviews take place regularly.</p>

<p>B. Attainment gap in reading is diminished between PP and Other pupils in all year groups.</p>	<ul style="list-style-type: none"> Vocabulary development and enrichment BRP reading provision. PiXL reading <p>Cost: £41,442</p>	<p>The EEF Toolkit highlights that overall, studies of oral language interventions consistently show positive benefits on learning, including oral language skills and reading comprehension. On average, pupils who participate in oral language interventions make approximately five months' additional progress over the course of a year. Oral language approaches include: Targeted reading aloud and discussing books with young children Explicitly extending pupils' spoken vocabulary The use of structured questioning to develop reading comprehension</p> <p>Vocabulary development & enrichment, BRP and PiXL reading uses all of the approaches of the Oral Language Intervention.</p>	<ul style="list-style-type: none"> Word of the week is launched and monitored by the English Lead. All staff receive training on the explicit teaching of vocabulary. BRP is timetabled and consistently delivered. PiXL tools have identified Key Marginal pupils and specific provision is in place to support. Targeted on SDP 	<p>English Lead Maths Lead KS2 Lead SENCO</p>	<p>Termly Pupil Progress meetings (6x per year)</p>
<p>C. PP pupils attain age appropriate basic skills across the curriculum (particular focus on spelling and times tables)</p>					<p>Termly Pupil Progress meetings (6x per year)</p>
<p>D. Increased confidence in reasoning in Maths results in an increase in PP children achieving the expected Standard at KS2.</p>	<ul style="list-style-type: none"> PiXL Provision Additional KS2 intervention teacher Maths lead training & support <p>Cost: £11,949</p>	<p>PiXL's tailored programmes provide a wealth of reading, writing and maths classroom strategies and resources and bring school leaders and specialists together at regular conferences to share ideas and support. It is a proven approach that targets provision specifically to improve the combined attainment measure of vulnerable learners.</p> <p>Quality First Teaching is the first step towards achieving excellent outcomes for all learners; therefore we want to offer high quality teaching to these pupils to increase progress.</p>	<ul style="list-style-type: none"> Using the PiXL Language of Assessment identify the A, E1 and E2, B1 and B2 groups for Maths Identify the key marginal group RAG the Key Marginal group using the PLC's for the priority characteristics. Develop a plan for closing gaps in learning using the PLC's PiXL provision is consistently delivered. Intervention teacher provides targeted support. 	<p>Maths Lead</p>	<p>Termly Pupil Progress meetings (6x per year)</p>

<p>E. PP children with additional needs continue to make good progress which is tracked appropriately.</p>	<ul style="list-style-type: none"> • Whole staff training • Additional support staff • PiXL 	<p>Targeted and specific professional development will upskill staff, improve QFT which will impact on pupil outcomes.</p> <p>The effective and strategic deployment of support staff will maximise pupil participation and improve outcomes. This way of working has had a proven success rate across the school thus far.</p> <p>PiXL tools will identify vulnerable pupils and tailor support designed to meet specific learning needs.</p>	<ul style="list-style-type: none"> • Whole staff training is delivered around Communication & interaction – the most predominant need across the school • Using the PiXL Language of Assessment identify the A, E1 and E2, B1 and B2 groups for Maths • Identify the key marginal group • RAG the Key Marginal group using the PLC's for the priority characteristics. • Develop a plan for closing gaps in learning using the PLC's • PiXL provision is consistently delivered. • Support staff are strategically deployed. 	<p>SENCO</p> <p>FLO</p> <p>Thrive Practitioner</p>	<p>Termly Pupil Progress meetings (6x per year)</p>
Total budgeted cost					£81,219
ii. Targeted support					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
<p>F. Parents engaging with school staff in developing learning partnership between home and school, to include increased home reading, homework completion and attendance at information events.</p>	<ul style="list-style-type: none"> • Family Liaison Officer <p style="text-align: right;">Cost: £11,130</p>	<p>Parental influences have a powerful effect upon children's attitudes, achievements and life outcomes. The role of the FLO is to assist in tackling underachievement by working in partnership with families, parents, carers and pupils in a school context to enable pupils, particularly the most disadvantaged, to have full access to educational opportunities and overcome barriers to learning and participation. The FLO works directly with parents in a non-judgmental way empowering them and their families to get the most out of the educational opportunities available.</p>	<ul style="list-style-type: none"> • FLO is a visible presence • Vulnerable families are known to the FLO and receive the right support. • FLO delivers support and training that directly impacts the school community. • FLO engages families to attend whole school events. 	<p>DHT</p>	<p>Dec 2017</p> <p>April 2018</p> <p>July 2018</p> <p>Good practice determines that ongoing min-reviews take place regularly.</p>

<p>G. Pupils eligible for the PP experiencing interruptions in their emotional and social wellbeing are identified and supported enabling pupils to continue to make progress.</p> <p>Family Liaison Officer effectively supports vulnerable families.</p> <p>Attendance rates for pupils eligible for the PP increase.</p>	<ul style="list-style-type: none"> • Thrive approach • Family Thrive <ul style="list-style-type: none"> • Project 96 (attendance) <ul style="list-style-type: none"> • Family Liaison Officer <p>Cost: £17,511</p>	<p>We have evaluated and witnessed the significant impact that the Thrive programme has had in supporting children experiencing emotional and social interruptions; therefore, we would like to develop a whole school systematic approach to the early identification of emotional development need in children so that differentiated provision can be put in place quickly. Thrive is a preventative and reparative approach which enables children to re-engage with their learning.</p> <p>Project 96 has proven to be a successful initiative. Resulting in improved communication between parents/carers and school regarding attendance and punctuality, a robust school policy on attendance. Additionally, evidence shows that when children attend school regularly without constant breaks, they make greater progress. Children who attend school make better friendships, take more ownership in their learning and are more confident.</p> <p>Parental influences have a powerful effect upon children's attitudes, achievements and life outcomes. The role of the FLO is to assist in tackling underachievement by working in partnership with families, parents, carers and pupils in a school context to enable pupils, particularly the most disadvantaged, to have full access to educational opportunities and overcome barriers to learning and participation. The FLO works directly with parents in a non-judgmental way empowering them and their families to get the most out of the educational opportunities available.</p>	<ul style="list-style-type: none"> • Staff training • Clear action plan • Whole school approach • Parental awareness and understanding of approach • Identified pupils profiled regularly to maximise impact. • Thrive timetable established • Targeted within the School Development Plan. <ul style="list-style-type: none"> • Whole school awareness • Appropriate families identified • Team approach involving HT, Attendance officer, Family Liaison Officer and School Liaison Officer • Protected time allocated for meetings and monitoring of attendance • Impact measured regularly • Ongoing monitoring of PP children under the scheme to take place. <ul style="list-style-type: none"> • FLO is a visible presence • Vulnerable families are known to the FLO and receive the right support. • FLO delivers support and training that directly impacts the school community. • FLO engages families to attend whole school events. 	<p>SENCO</p> <p>HT</p> <p>DHT</p>	
Total budgeted cost					£28,641.00

6. Additional detail (information used to inform the statement above)

Evidence for this evaluation has been harvested from the following sources:

- ASP (Analyse School Performance)
- School Development Plan evaluations
- Head Teacher reports
- Pupil Progress Meetings
- Target Tracker (school assessment system)
- English and Maths Lead impact reports.
